LUCIFER reigned more than 500,000 years before rebelling in opposition to the plans of CHRIST MICHAEL/JESUS and the will of the UNIVERSAL FATHER as they are represented in our Universe

Creator Sovereign, CHRIST MICHAEL/JESUS. He began his rebellion by proclaiming his MANIFESTO. After 19 years, LUCIFER and his System followers were relieved of their administrative authority - "Their place was found no more". However, for 200,000 years, the disloyal rebels were permitted to freely go anywhere in the system to deceive, seduce, confuse, and mislead the minds of men & angels until CHRIST MICHAEL/JESUS finished his human experience and was given: "All power in Heaven and on Earth" by our Universal Father.

Thirty-Six Planetary Princes, on other inhabited worlds, swung their administrations to LUCIFER except on the planet Panglossia where, because of MELCHIZEDEK guidance, the Prince stood by himself.

The last act of CHRIST MICHAEL/JESUS, before leaving Earth/Urantia, was to offer mercy to CALIGASTIA & DALIGASTIA. The compassionate proffer was spurned by both.

In all Universe history, three (3) System Sovereigns have Rebelled against their creator Christ Michael/Jesus, including Lucifer.
Over seven hundred (700) Secondary & Tertiary Lanonandeks have rebelled, including Caligastia, the original Planetary Prince of Earth/Urantia.
